GOVERNMENT OF MYSORE

Construction of Slaughter House and Mutton Stall at Hosakote Taluk

I have the honour to state that plans and estimates for the construction of Slaughter house and Mutton Stall at Hosakote was sanctioned by Government in G O I ~~6513/M.L~~ 50-41-A 57 dated 8-10-1942 and out of the total estimated cost of Rs 3,110/- a sum of Rs ~~1,555/-~~ 1,555/- being the Government grant was also sanctioned This amount was drawn by the Municipality and the same together with the Municipality's share of Rs 1,555/- was deposited with the Sanitary Engineer, Bureau of Sanitary Engineering

The work could not be executed as the estimates which were prepared during pre-war days in 1939-40, had to be revived in 1942-43, by which time the rates had risen up abnormally when revised the estimated cost of the above came to Rs 10,850/- a sum of Rs 7,740/- in excess of the original estimate

The Municipality when questioned in this behalf, pleaded inability to pay their share of the extra cost of Rs 7,740/- and the matter was therefore dropped for the time being and the amount of Rs 3,110/- continued in deposit with the Sanitary Engineer

The Municipal Council, Hosakote after ~~disclosing~~ discussing the matter, resolved at their meeting held on 30-7-1947 to get through the work and have got the estimate revised in March 1948 As per latest revision the cost of the above works is as follows

1	Slaughter house	Rs 4,870
2	Mutton Stalls	Rs 4,180
	Total	Rs 9,050

The latest estimate costs Rs 1,800/- less than the revised estimate of 1946, which worked to Rs 10,800/- The President states in his report o H C 3/47-48 dated 7-3-1948 that the Municipality is at present losing nearly Rs 1,000/- annually, being the mutton stall rent and Slaughter house tax, and it is therefore ~~obg~~ absolutely necessary to have the slaughter House and mutton Stalls ~~bulk~~ built up

As regards the cost, the Municipal Council have resolved at their meeting held on 28-2-1948, to approach the Government for a liberal grant of Rs 2,970/- which is half of the additional ~~allo~~ amount of Rs 5,940/- required for the purpose, and they themselves pay a sum of Rs 2,970/- out of the closing balance of the Municipality Thus out of the total cost of Rs @ 9,050/- the Govt will be bearing ~~an~~ one half of the cost Rs @ 4,525/- and the Municipality Rs 4,525/- on equal amount

The Municipal Council, have under active consideration several town improvement schemes, one of which require a large expenditure By constructing the slaughter house and the mutton Stalls the Municipality will be deriving an annual income of Rs 1,000/- which will enable the Municipality to meet her increasing demands for funds

Under the above circumstances, I recommend that the

Government may kindly be moved to grant a sum of Rs 2,970/- being one half of the additional amount Rs 5,940/- required for the above works
